Other nature(s) of business: Other (Consulting)

Internship Profile

Job Title: Summer Associate

Job Description: Nation with Namo: Summer Associate Internship Program 2025
When you picture yourself at the beginning of your career, what comes to your mind? A cubicle. A 9-to-5 job. Building excel models to structure financial products. Due diligence and drafting memorandums. Hustling to launch a product in a new city. Pitching your business idea to potential investors. Being part of a larger software team working on a subset of a project.
But how do you realise what your path should be? How do you know if it is the right choice? How do you know if this is what you really want your first job to be about? How do you stand out? How do you know this is enough ?
If this isn't enough, picture this. Preparing technological tools to change the way elections are run in India. Crunching data real-time to predict electoral outcomes. Understanding key government positions and policies and their on-ground impact and preparing suggested value additions. Getting involved in the grass-root implementation for taking the campaign to the masses. Observing your work having real impact on real people by solving real problems. And doing all this while supporting Prime Minister Modi and his party in their vision to build a new India
If this sounds appealing to you, if creating real impact is your priority, then we welcome you to the Internship Program at Nation with NaMo. A key part of an internship is to not only help you make well-informed decisions once you graduate, but to also get specific hands-on experience that would enhance your skills sets while also creating actual impact through your work.

What does an Internship at Nation with NaMo Offer?

The best minds in our country rarely get an opportunity to tackle the most critical problems facing our nation. This platform aims to bridge this gap and create a forum where young idealistic graduates who are interested in nation building can collaborate with and contribute to the political ecosystem through direct interactions

A Unique Experience: You will get a once in a lifetime opportunity to experience an upcoming space, a chance to tackle real-world problem statements to gain in-depth exposure about governance and politics and a real chance to contribute towards solving the biggest challenges in electioneering and policy making

A Multidimensional Team: You will be part of a small handpicked team of diverse, passionate and talented individuals who will constantly challenge, support and work with you to achieve extraordinary outcomes

Hands-On Mentorship: You and your fellow Interns will be mentored by a team of seasoned professionals who have pioneered the evolution of this space and undertaken various electoral campaigns across the country

Competitive Remuneration: We understand the value of the talent we have in sustaining our success and we offer competitive remuneration to show our commitment to them.

What are we looking for in our Interns?

As part of this program, we are looking for Interns who demonstrate the following traits:

Academic Excellence: Combine an impressive academic record with strong technical skills

Prioritise Impact: Optimise for impact above everything else

Structured Problem Solving: Tackle complex situations through effective and structured problem solving and out-of-the-box thinking

Effective Communication: Possess strong written and verbal communication skills - both individually and in a group setting

Initiative: Adapt to dynamic and ambiguous situations with a clear bias for action

Teamwork: Contribute to the strong team ethic and work towards the success of the entire team

Leadership Skills: Display the requisite leadership qualities to take ideas forward

Strong Ethics: Possess uncompromising ethical principles

Eligibility
In order to be eligible to apply for GILP, you need to be from the top engineering, law, commerce, science or arts colleges in the country

You should be currently enrolled in a graduate/undergraduate course (3, 4 or 5 year integrated programs) at such a college. Post-graduates are not eligible for GILP.

Available for a full time internship through the summer of 2025.

Please note that postgraduate candidates are not eligible for GILP.
